## ABOUT TRADEASIA INTERNATIONAL PTE LTD

**Tradeasia International Pte. Ltd** marked its beginning in the year 2002. It was founded by Mr Manoj Singhania. Starting with one office in Singapore, and slowly establishing several global offices, Tradeasia spread its wings to other countries in the Asiatic continent and grew up to be one of Asia's leading chemical trading organizations providing integrated chemical procurement services with a level of certainty and trust, which makes it stands unique.

### Our Mission

"To provide our customers best chemical procurement services and solutions".

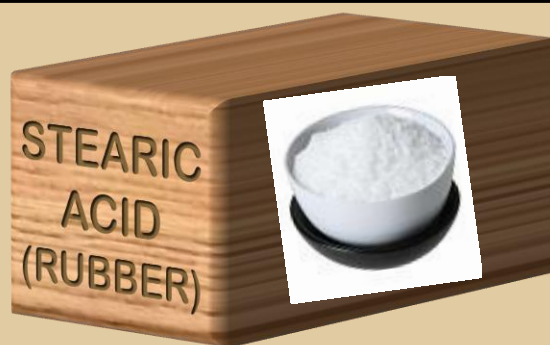

### Our Values

Integrity, Honesty, Quality Services and Respect for Individual

Meeting the demands and expectations of the customers, and serving them with timely and well managed procurement services, we provide effective and efficient connectivity with the emerging markets.

Tradeasia offers sales and purchases, shipment planning, logistics, supply chain management services, inbound and outbound logistics, export documentation, banking and insurance services, products and technical consulting services.

## Our Top Products

CAS No:	157-11-4	Mol Wt	284.48 g/mol
Packaging: 720 @ 25 Kg Woven Bags, 18 MT / 20' FCL			

CAS No:	1310-73-2	Mol Wt	39.99 g/mol
Synonym:	Sodium Hydroxide	Formula	NaOH
Packaging: 1000 @ 25 Kg PP/PE Bags, 25 MT / 20' FCL			

CAS No:	56-81-5	Mol Wt	92.09 g/mol
Synonym:	1,2,3-propanetriol	Formula	C <sub>3</sub> H <sub>8</sub> O <sub>3</sub>
Packaging: 80 @ 250 kg HDPE Drums 20 MT / 20' FCL			

## Our Top Products

CAS No:	64-19-7	Mol Wt	60.05 g/mol
Synonym	Ethanoic Acid	Formula	CH <sub>3</sub> COOH
Packaging: 576 @ 35Kg HMDPE Carbouys, 20.16 MT / 20' FCL			

CAS No:	497-19-8	Mol Wt	105.99 g/mol
Synonym:	Sodium Carbonate	Formula	Na <sub>2</sub> CO <sub>3</sub>
Packaging: 840 @ 25 kg Bags, 21 MT/20'FCL			

CAS No:	7757-826	Mol Wt	142.04 g/mol
Synonym:	Glauber's salt	Formula	Na <sub>2</sub> SO <sub>4</sub>
Packaging: 500 @ 50 kg PP/PE bags, 25 MT / 20' FCL			

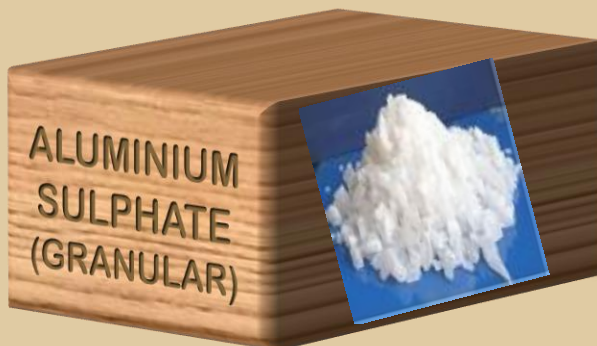

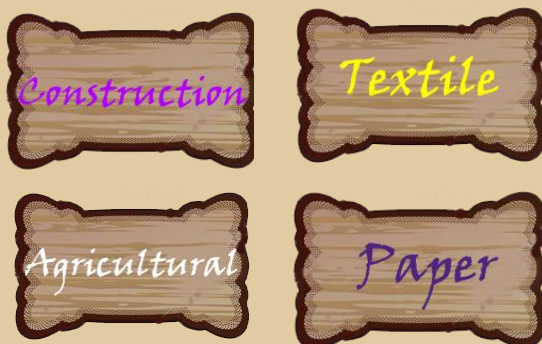

## Our Top Products

CAS No:	8050-09-7	Mol Wt	302.44 g/mol
Synonym	Colophony	Formula	$C_{20}H_{30}O_2$
Packaging: 920 @ 25 kg PP/PE bags, 23 MT / 20' FCL			

CAS No:	100-97-0	Mol Wt	258.2 g/mol
Synonym:	Kaolin	Formula	$Al_2Si_2O_5(OH)_4$
Packaging: 720 @ 25 kg PP/PE bags, 18MT / 20'FCL			

CAS No:	10043-01-3	Mol Wt	342.15 g/mol
Synonym:	Alum	Formula	$Al_2(SO_4)_3$
Packaging: 500 @ 50 kg PP/PE bags, 25 MT / 20' FCL			

## Our Top Products

Paper

Textile

Waste Water  
Treatment and  
Environment

CAS No:	7722-84-1	Mol Wt	34.0147 g/mol
Synonym	Dioxidane	Formula	H <sub>2</sub> O <sub>2</sub>
Packaging: 672 @ 30 kg Blue Polydrums/ Carboys, 20.16 MT / 20' FCL			

Food

Ceramic

Construction

Paint  
& Coating

CAS No:	471-34-1	Mol Wt	100 g/mol
Synonym:	LimeStone	Formula	CaCO <sub>3</sub>
Packaging: 1040 @ 25 kg PP bag without pallet, 26 MT / 20' FCL			

## Take a glance About Tradeasia All-in-One Industrial Chemical Databank

Tradeasia's primary focus is on industrial and specialty chemicals market where the customer often faces challenges while searching for a trusted supplier and we, as distributors fill that gap. We provide a host of chemicals to industrial end users.

On our website one will find information on basic industrial and specialty chemicals along with their primary uses, including safety data sheets, technical data sheets, and various widgets serving different purposes, and also associations and resources, news and events and a wonderful photo and video gallery and so on.
